HEADS OF STATE AND HATS OF DISTINCTION

Whether big or small brimmed, feathered or Fedora, creative or conservative, smart or simply stunning, guests at the Benefit Luncheon are known for their colorful array of spring hats. Much more than a practical piece, hats have a long history of symbolism and significance in American culture. Don your finest and most fashionable hat and join in this whimsical Trust tradition. Washington Life Magazine will feature the most beautiful and creative hats after the Benefit Luncheon.

THE TRUST FOR THE NATIONAL MALL

The Trust for the National Mall is the official non-profit partner of the National Park Service, dedicated to restoring and improving the National Mall, while providing new educational and volunteer opportunities to connect visitors to the Mall's rich history. The Trust was formed with the commitment and vision to help restore the National Mall, a public space that evokes the pride and patriotism of a people. We believe the National Mall, America's Front Yard, should reflect our country's values and be maintained to the highest standards. Simply put, our mission is to make the National Mall the Best Park in the World.
